

December 2010 Song of the Month from www.nancymusic.com

We're Finished Now!

(This song is by request from a teacher in London)

One of the things we do as parents and teachers is help children complete tasks, and a little positive reinforcement goes a long way! Play this short little song to celebrate a job well done! Play it when children finish a project or chore. Once they have heard it a few times, you can let them know you won't say anything, but just play it. When they hear the drums at the beginning they will know it's time to clap or march or jump, and celebrate!

We're Finished Now!

We're done, we're finished now!

All done we're finished now!

We're done, we're finished now!

All done we're finished now!
