2. On the first day clean the house and help to make the decorations  
On the second day put on your brand new clothes and light the lights  
The third day brings the new moon and the biggest celebration  
Let the fireworks and Diyas chase the demons all away  
(chorus)
  3. On the fourth day pass around the sweets, and such delicious food to eat  
The fifth day brothers, join your sisters all across the land  
(Chorus)
