2. When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle, all the night
3. Then the traveler in the dark
thanks you for your tiny spark
He could not see which way to go
if you did not twinkle so
4. In the dark blue sky you keep
And often through my curtains peep
For you never shut your eye
Till the sun is in the sky
5. As your bright and tiny spark
lights the traveler in the dark
Though I know not what you are
Twinkle, twinkle, little star
