

When the Pretty Flowers Grow

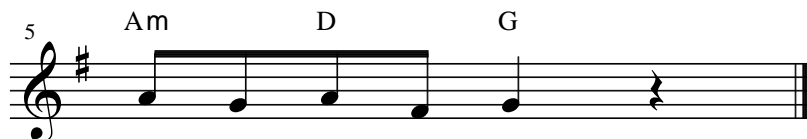

Nancy Stewart
©2008 Friends Street Music, BMI

1. When the seeds are in the ground crawl - ing
2. When the pret - ty flow - ers grow bugs will
3. When the sun be - gins to shine, flow - ers

creep - ing bugs are found. Bugs go up and bugs go down when the
come and bugs will go But - ter - flies have wings to show when the
grow up - on their vine. All the bugs are feel - ing fine when the

seeds are in the ground.
pret - ty flow - ers grow.
sun be - gins to shine.
