1. Out in the moon - light on a sum - mer night, I went
2. The place was buz - zin', the air was hum - min' It was a
3. The stars were shin - ing the moon was smil - ing the leaves were

out to the gar - den to see just what was go - in' on be - tween the
mag - i - cal fan - ta - sy The trees were rust - lin' the ground was
glit - ter - ing all a - round the flow - ers sway - ing, the beet - les

dusk and the dawn, there was a par - ty wait - in for me All the
bust - lin' It was a gar - den par - ty just for me
play - ing, the air was full of sight and sounds

spi - ders danc - ing on a sil - ver string, the crick - ets were play - in' a song

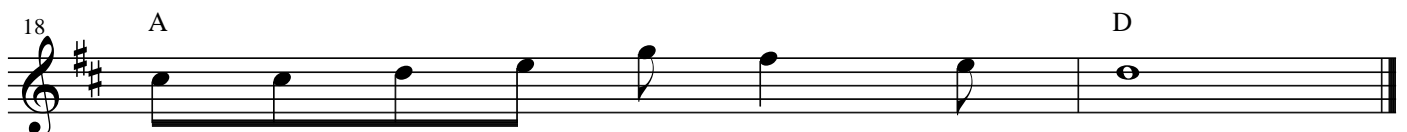

and when the fire - flies turned on the par - ty lights, I

could - n't help but sing a - long I

final ending

could - n't help but join in the song
