4. Three fat tur - keys sit - tin' on a log,

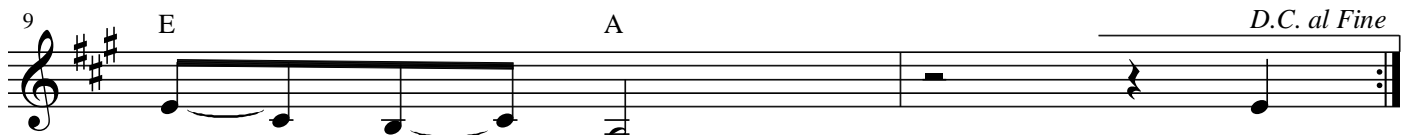

first one said, I wish I were a dog.
sec - ond one said, I wish I were a frog
third one said, I wish I were a hog
knew they'd nev - er be a dog, a frog or a hog so they

If I were a dog I could bark all night
If I were a frog I could croak all night
If I were a hog I could oink all night
gob - ble - gob - ble - gobbled in the pale moon - light

I would ruff, ruff, ruff 'neath the -
I would rib - it, rib - it, rib - it 'neath the
I would oink, oink, oink 'neath the
Then they hopped off the log and they

pale moon - light.
pale moon - light.
pale moon - light.
wob - bled out of sight.
