

May 2015 Song of the Month from www.nancymusic.com

I'm A Little Teapot

TRADITIONAL

This little traditional song is packed with building blocks of early learning! Most importantly, it's simple and easy to sing. When done with movement it's great for large motor skills which helps build executive function in the brain.

I'm a Little Teapot

I'm a little teapot short and stout
(standing)

Here is my handle, here is my spout
(stand with one hand on hip, and other hand out to side for spout)

When I get all steamed up hear me shout

Just tip me over and pour me out.
(tip body to side as if pouring)
