

All Around The Kitchen

Traditional

This traditional song is just plain fun, and a great way to get some wiggles out! Everyone who sings this song seems to make up his own verses (which is what I have done). So feel free to improvise! Simply march around the room following the directions in each verse. This song has some “attitude,” so be sure to put a little swagger in your walk. When you get to the chorus line, “Put your hands on your hips, stop in place and do the motions through the end of the verse, then begin walking again on “All around the kitchen.”

All Around The Kitchen

CHORUS:

All around the kitchen, cocka-doodle doodle doo

All around the kitchen, cocka-doodle doodle doo

Put your hands on your hips, cocka-doodle doodle doo

Let your right foot slip, cocka-doodle doodle doo

1. Then you jump up and down, cocka-doodle doodle doo

Then you turn around, cocka-doodle doodle doo (CHORUS)

2. Then you swing your hips, cocka-doodle doodle doo

Then you wiggle your lips cocka-doodle doodle doo (CHORUS)

3. Then you stand real tall, cocka-doodle doodle doo

Then you get real small, cocka-doodle doodle doo (CHORUS)

4. Then you jump up and down, cocka-doodle doodle doo

Then you turn all around cocka-doodle doodle doo

Then you touch the ground, cocka-doodle doodle doodle, doodle doo
