1. With my sticks I tap, tap, tap. With my sticks I tap, tap, tap
2. With my sticks I scrape, scrape, scrape. With my sticks I scrape, scrape, scrape.
3. I can make my two sticks walk I can make my two sticks run

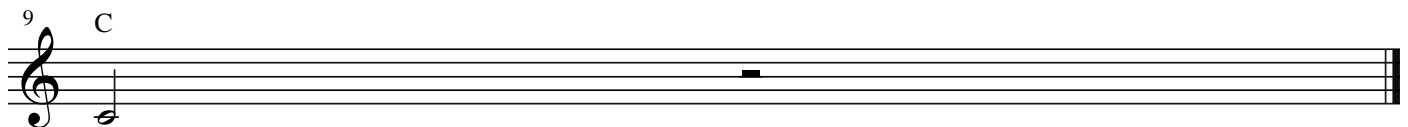

With my sticks I tap, tap, tap. With my sticks I tap, tap, tap.
With my sticks I scrape, scrape, scrape. With my sticks I scrape, scrape, scrape.
I can make my two sticks talk Make them talk un - til I'm done

I can tap them way up high. I can tap them side to side
I can scrape them way up high, I can scrape them side to side
I can play them way up high, I can play them side to side

I can tap them down be - low ve - ry fast or ve - ry
I can scrape them down be - low ve - ry fast or ve - ry
I can play them down be - low ve - ry fast or ve - ry
