

Here's a Baby Dinosaur

based on traditioanl melody
(Here's a Baby Birdie)

I sing this acapella, but chords are provided it you prefer to accompany

The musical score is written on a single treble clef staff in the key of A major (indicated by three sharps: F#, C#, G#) and common time (C). The melody consists of quarter and eighth notes. Chords are indicated by letters A, E, and D above the staff. The lyrics are written below the notes.

Here's a bab-y din-o-saur He's hatch-ing from his shell Out pops his head,
then comes his tail. Next his legs he stretch-es, he gives a gerat big roar
Then he stomps and stomps and stomps and sits back on the floor Down, down, down, down
down, down, down, boom!
