Felt Board Songs

(patterns on the following pages)

10. Lots of Cars (patterns on next page)

Cut out five cars in different colors of felt. Place cars on flannel board one at a time as you sing the song. Take off the biggest and the smallest at the end of the song.

There are lots of cars driving down the street (hands on steering wheel, turning back and forth)
Tell me what color car do you see (place a felt car on the board)
(spread arms on “big”, bring hands close for “little”)
Beep, beep, beep (hand taps nose 3 times)

11. Fishies

cut out five felt fish in different shapes and colors, to match words in song.

There are so many fishies in the deep blue sea. What color fishy do you see?
Red, red, this one's red. This little fishy is red
(Repeat with other colors)

There are so many fishies in the deep blue sea. Can you count the fishies with me...1,2,3,4,5,

What color is the biggest fish you see?

What color is the smallest fishies you see.

12. Bluebird Through My Window

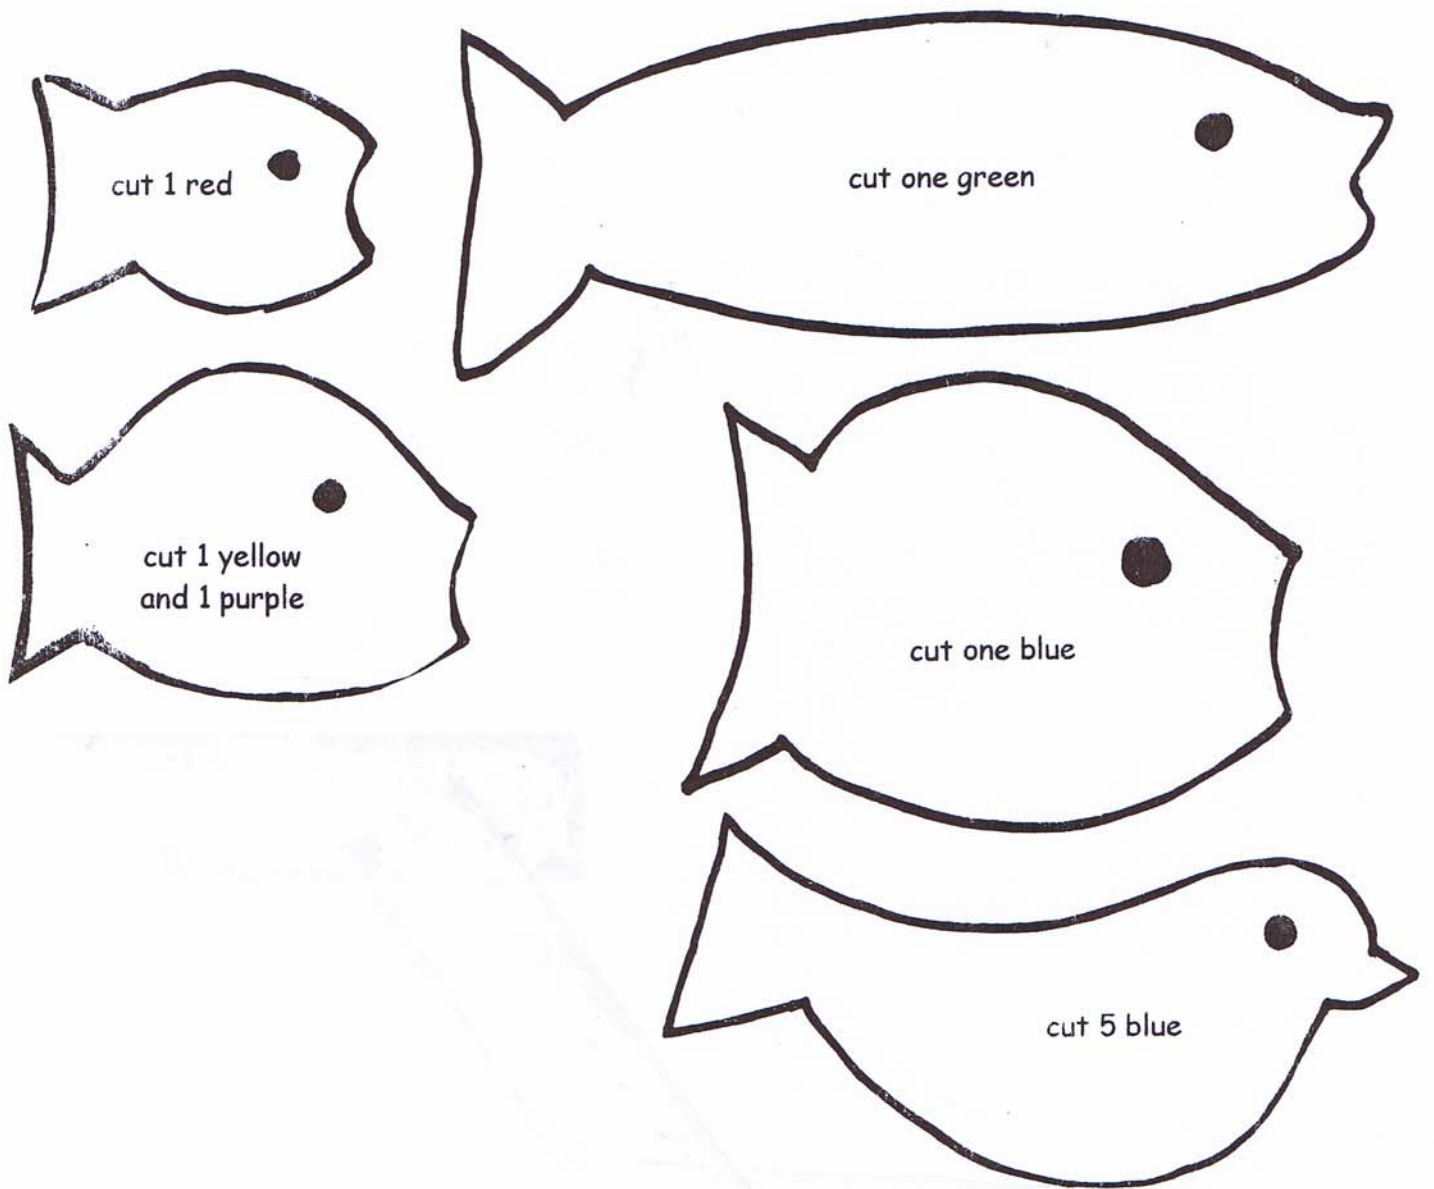

Cut out birds from different colors of felt.

NOTE: This song has been shortened from the original game song which is more appropriate for older children. The complete song can be found at most libraries in collections of children's folk songs

Bluebird, bluebird, through my window,
(fly one bird onto the felt bird)
Oh Johnny, I'm tired. Nite, nite!
(hands rest on head)

Repeat with other colors

Patterns for Felt Shapes

Cover a small piece of cardboard with felt, and place felt shapes in baggies. As your child gets older, he or she can sing the songs and place the pieces on the board while in the car, or while waiting at the market or doctor's office.

Egg Shaking Songs

13. If You Have a Pink Egg

If you have a pink egg, shake that pink egg

14. Shake Your Egg and Follow Me (tune of London Bridges)

Shake your egg and follow me, follow me, follow me (lead child around the room as you shake and sing)
Shake your egg and follow me
Now put your egg on your head!

When singing this song with infants, change the words to "shake your egg along with me." Great for singing while you have the baby on a changing table or in your lap, as you put the egg on the baby.

Keep an egg on your changing table and let your baby shake while you sing songs and change the diaper!

Song to Use With Books

15. When Ducks Get up in the Morning

Slap thighs in rhythm as you hold up pictures of animals and sing.

When ducks get up in the morning, they always say good day
When ducks get up in the morning, they always say good day
Quack, quack, quack, quack, that is what they say, they say
Quack, quack, quack, quack, that is what they say
(repeat with other animals and pictures)

Use a book with one animal on each page. My favorite book of animal pictures to use with this song is, *I Love Animals*, by Flora McDonnell. It is available in several formats. and children love the large colorful illustrations!

16. I'll Drive a Dump Truck

Hold up pictures of different vehicles,
slap thighs in rhythm

I'll drive a dump truck, dump truck, dump truck
I'll drive a dump truck all day long
(repeat with other vehicles)

Check your local library for great picture books of vehicles! Stop the song and talk about each picture before going to the next.

Make a photo album of family members, and sing this song as you turn the pages and point to people and pets.
