

# Mitten Matching Game

by Nancy Stewart  
copyright 2014 Friends Street Music BMI

1. I need a mit - ten for my right hand,  
2. Now I have a mit - ten for my right hand,

mit - ten for my left, two mit - tens that look the  
mit - ten for my left, two mit - tens that look the

same ex - cept that one's for the right hand,  
same ex - cept that one's for the right hand,

one's for the left. We're play - in' the mit - ten  
one's for the left, We're play - in' the mit - ten

game game I'm gon - na give you a mit - ten. Take a

look and you will find a - no - ther that looks quite

sim - i - lar, one's for the left, one's for the right. Now I have a
