

September 2019 Song of the Month from www.nancymusic.com

Everybody Has A Song To Sing

This month's song was inspired by starting the eighth year of my **Sing With Our Kids Community Project** and free resource website. It's all about singing! Don't know about it? Go to www.SingWithOurKids.com! The photo is from one of the first singing events that I did in my community eight years ago, today!

What's right with the photo? Everybody is singing! No one is looking at a device; everyone is engaged with babies, parents, grandparents, and each other.

This is what it's all about. So sing this song and add your own verses.

Everybody Has A Song To Sing

Every birdie has a song to sing (2X)

Hear it singin' all day long, for a birdie has to sing its song

Every birdie has a song to sing

Every baby has a song to sing (2X)

though it won't have any words, it's the sweetest song you've ever heard

Every baby has a song to sing

Every mother has a song to sing (2X)

A song for singin' when it's light and a lullaby to sing at night

Every mother has a song to sing

Every daddy has a song to sing (2X)

Hear him holler out a song or humming quietly along

Every daddy has a song to sing

Every grandma has a song to sing (2X)

When she sings her song to you then it becomes your song too

Every grandma has a song to sing

Every grandpa has a song to sing (2X)

A song of happiness or strife, a song he's carried all his life

Every grandpa has a song to sing

Everybody has a song to sing (2X)

And when were singin' the same song you know we just can't do it wrong

Everybody has a song to sing
